- imageCLASS X MF1440
- imageCLASS X LBP1440
- imageCLASS X MF1643 II Series

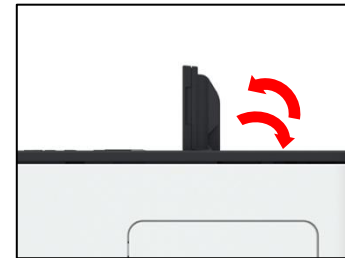

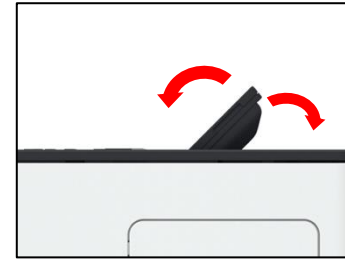

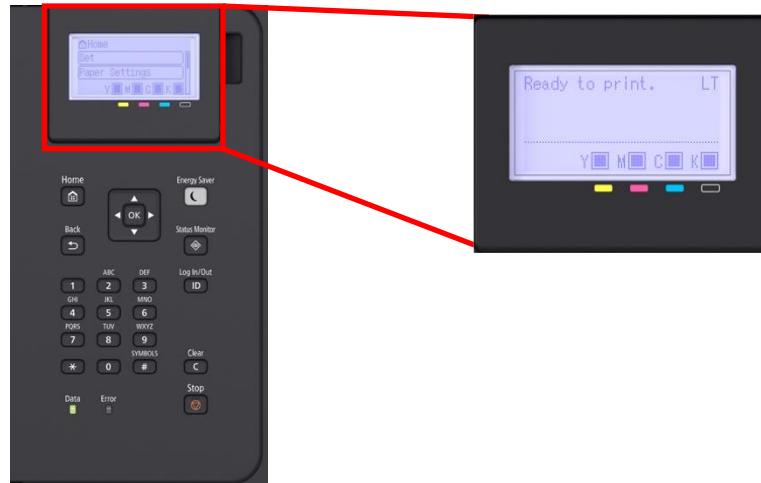

7" Color Touch Panel

- Color imageCLASS X MF1538C

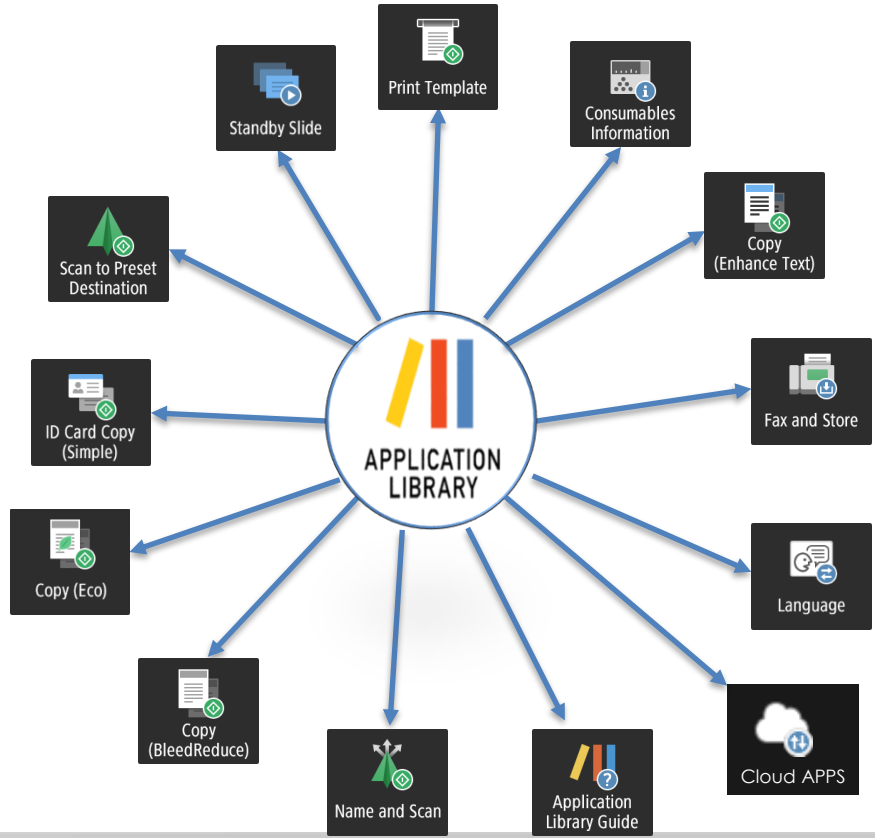

5-Line LCD

Intuitive 5-Line LCD screen with keypad leverage arrow keys and tilting capability to navigate the menu seamlessly and customize the settings to access the features you use most.

Application Library Features – 5" Color Touch Screen

Make it easier to navigate with customizable one-touch buttons

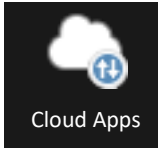

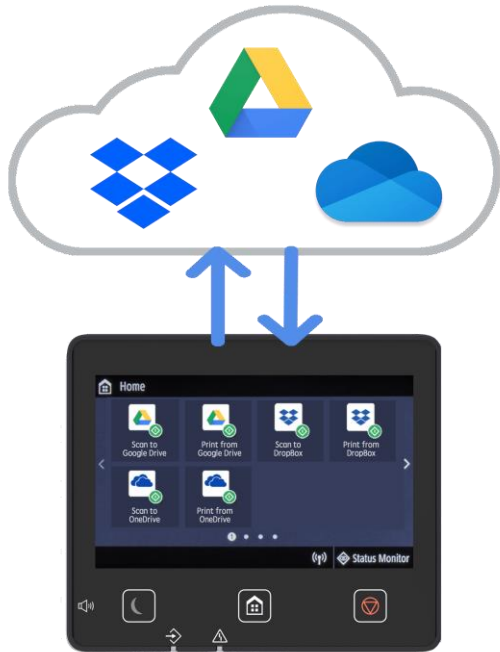

Note: Application Library is only available on devices with 5" Color Touch Screen. Application features vary on device. Users must register to use these features.

Application Library & Cloud Storage Support – 5” Color Touch Screen

Scan or Print directly from the RUI on your compatible* device.

Cloud Storage Support**

- Print and download documents directly from DropBox, Google Drive, or OneDrive.
- Scan an image or document directly into your DropBox, Google Drive, or OneDrive account

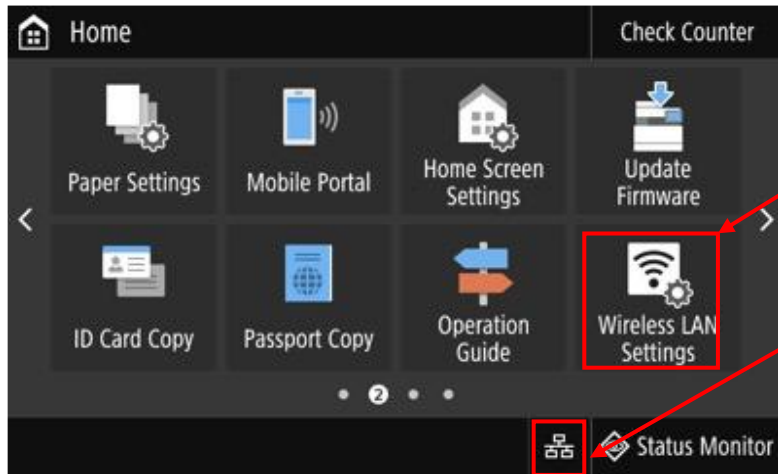

* Compatible with MF1440, LBP1440, MF1643i II, MF1643iF II, MF1333C, LBP1333C

** Subscription to third party cloud service required; subject to third party rates, terms and conditions.

Canon

Enhanced Wi-Fi Setup – 5” Color Touch Screen

Connecting to Wi-Fi* can now be completed in 4 easy steps. What used to take 11 steps from the setting menu can now be completed with 4 steps.

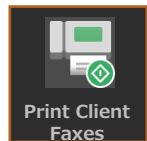

1. Press Wireless Lan Button
2. Select Network
3. Enter Encryption Key/Password
- 4. Finalize**

* Wi-Fi is a registered trademark of the Wi-Fi Alliance.

Note: Compatible with MF1440, LBP1440, MF1643i II, MF1643iF II, LBP1800 Series, MF1333C

New Application Library Features— 5” Color Touch Screen

NEW

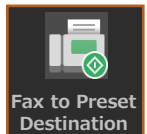

Print Client Faxes

Prints faxes from registered senders helping to block unwanted faxes and reduce printing costs.

NEW

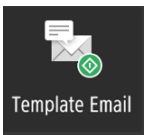

Fax to Preset Destination

Faxing to registered destinations helps finish routine tasks faster.

NEW

Template Email

Allows users to scan to email any documents to registered destinations, helping to make routine tasks faster.

NEW

Standby Slide from Server

Allows for a wallpaper setting on the UI.

NEW

Print File from Server

Printing a file from a designated server works as useful hybrid work management tool.

Make it easier to navigate with customizable one-touch buttons

Available on iC X MF1333C, LBP1333C, MF1440 & LBP1440 models

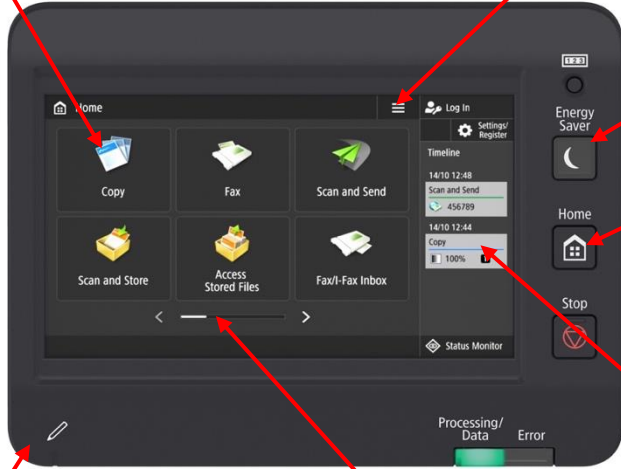

APPLICATION LIBRARY

7" TFT LCD WVGA Color Touch Panel

Home Screen
Touch Screen

Display Settings Icon
Collapsed Menu Icon

Energy Saver Button

Home Button

Timeline

Allows you to easily access your most recent jobs or functions (Copy, Scan and Send, and Access Stored Files).

Stylus Pen

Can use directly on display for easier navigation.*

Flick and Pinch

Similar to a smartphone, all operations can be carried out with simple gestures

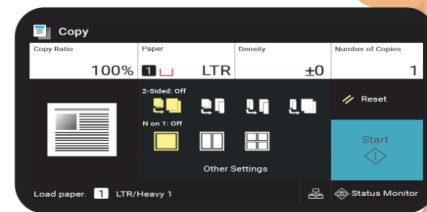

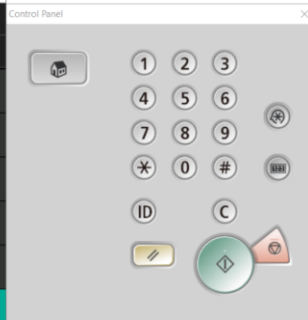

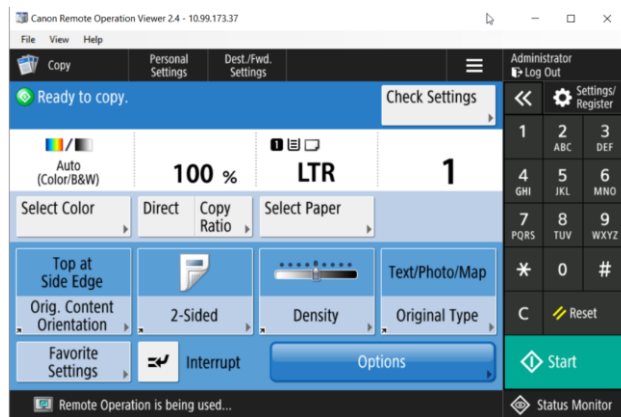

Leverage Similar Features of imageRUNNER ADVANCE DX UI:

- ✓ Flick and pinch actions
- ✓ Function shortcuts are displayed along the top of the screen.
- ✓ Main Menu and Quick Menu screens are merged into a Home Screen.
- ✓ Timeline feature is available.
- ✓ The Home Screen design allows for several pages and buttons.
- ✓ Remote Operation**

* Stylus Pen appears behind bottom left of control panel when facing device
 ** Via Remote Operation Kit on PC or Canon Print Business App on mobile device

Remote Operation with Canon Print Business App

MF1538,
MF1333,
LBP1333C,
MF1440
LBP1440
ONLY

✓ Print ✓ Copy ✓ Scan

Remotely Operate from your PC or mobile device*.

* Via Canon PRINT Business App

Canon

Security Highlights

Document Security Features

- Send to Myself (Authorized Send Lite)
- Native device Secured Print (SD Card req'd select models)
- Watermark
- Encrypted PDF (Send PDF Security Feature Option)
- Digital Signature PDF (Send PDF Security Feature Option)
- Forced Hold Printing

Data Security Features

- No Hard Disk Drive
- Verify System at Startup
- Verify System at Startup with Automatic Recovery***
- Job Log Conceal Function
- Runtime Intrusion Detection with McAfee Embedded Control*

Authentication Features

- Department IDs
- Authorized Send Lite
- uniFLOW Online/Express

Network Security Features

- SMB 3.0 support
- TLS Encryption
- TLS Version Selection (up to 1.3**)
- IP/MAC Address Filtering
- IP + Port Filtering
- G3 Fax Separation from LAN
- USB Port On/Off
- Destination Restriction
- IPsec
- IEEE802.1x (Wired)

Mail Server Security Features

- POP Authentication before SMTP
- SMTP Authentication

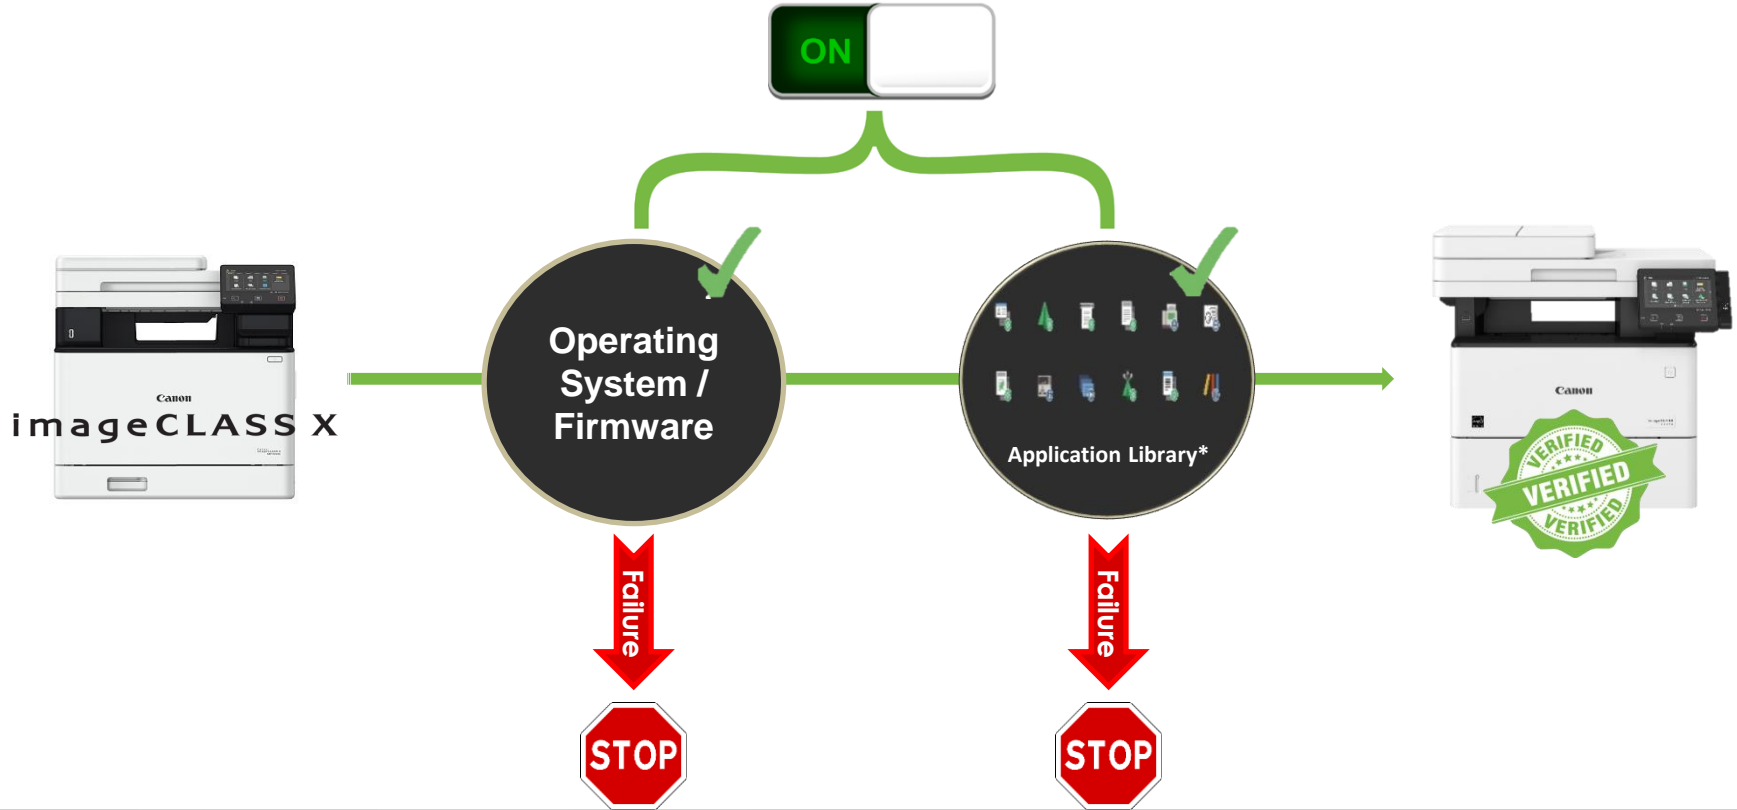

*Applicable to the MF1538C & LBP1800 Series

**TLS 1.3 on MF1643i, MF1643iF, MF1538C, LBP1538C, MF1333C, LBP1333C, LBP1800 Series, MF1440 & LBP1440

***Applicable to the MF1333, LBP1333, MF1440 & LBP1440 Models.

Note: Security highlights vary by model.

Verify System at Startup for imageCLASS X

Like Today's Workforce, uniFLOW Online Works at Home and the Office

- uniFLOW Online allows employees to seamlessly print and scan documents, whether they're using a Canon imageRUNNER ADVANCE in the corporate office, a imageCLASS at their home office, or a combination of both:
 - Similar user experience
 - Ease of operation
 - Smooth transition between the two work environments

Note: uniFLOW Online is an optional solution.

Canon

Why uniFLOW Online for Hybrid Work Environment?

A simple and flexible approach to providing secure print and document workflows, uniFLOW Online helps businesses bridge the digital gap to the future.

**Home
Office**

✓ Easy Set-up

Benefits:

✓ Security Features

✓ Control costs

✓ Easy Transition Between Locations

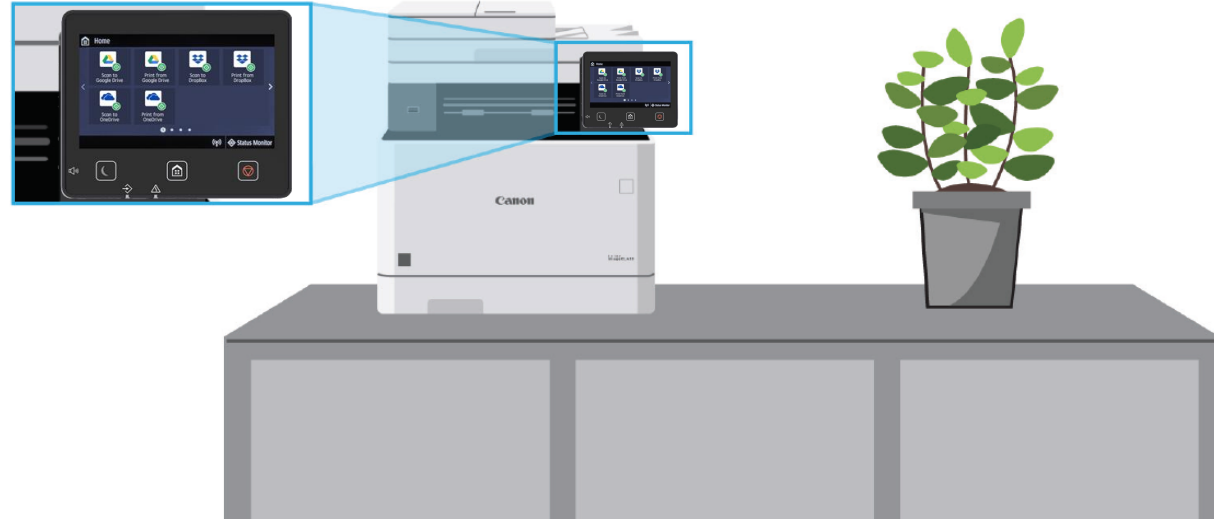

Easy Set-up at Home

- Easily connect supported devices to uniFLOW Online
- uniFLOW Online can be automatically updated across your enterprise!

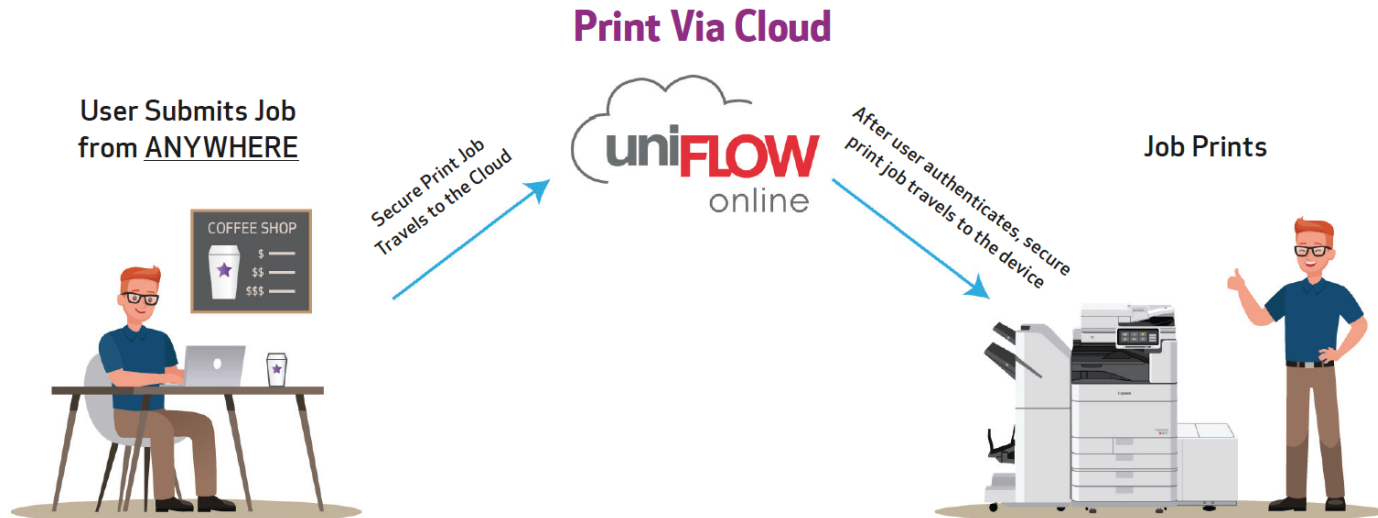

Easy Setup at Home

Print Via Cloud

uniFLOW Online supports printing to large multifunction devices in the office as well as smaller, all-in-one multifunction and single-function printers in the home.

*Subscription to a third-party cloud service required. Subject to third-party cloud service provider's Terms and Conditions.

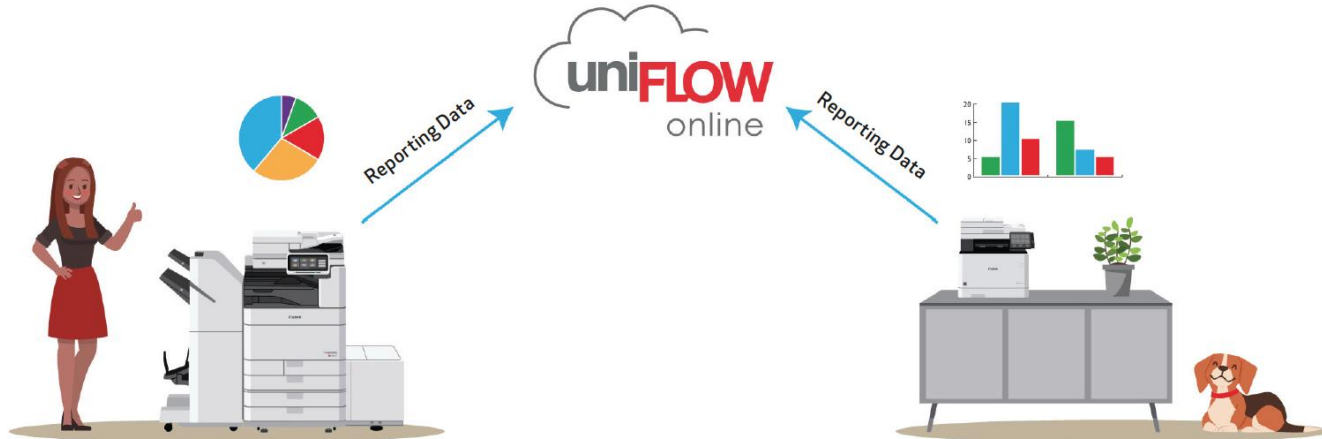

Tracking & Reporting

Employees working from home can print directly from their device—and with immediate job release—while still tracking costs.

Consolidated Reporting, No Matter Where the Device is Located

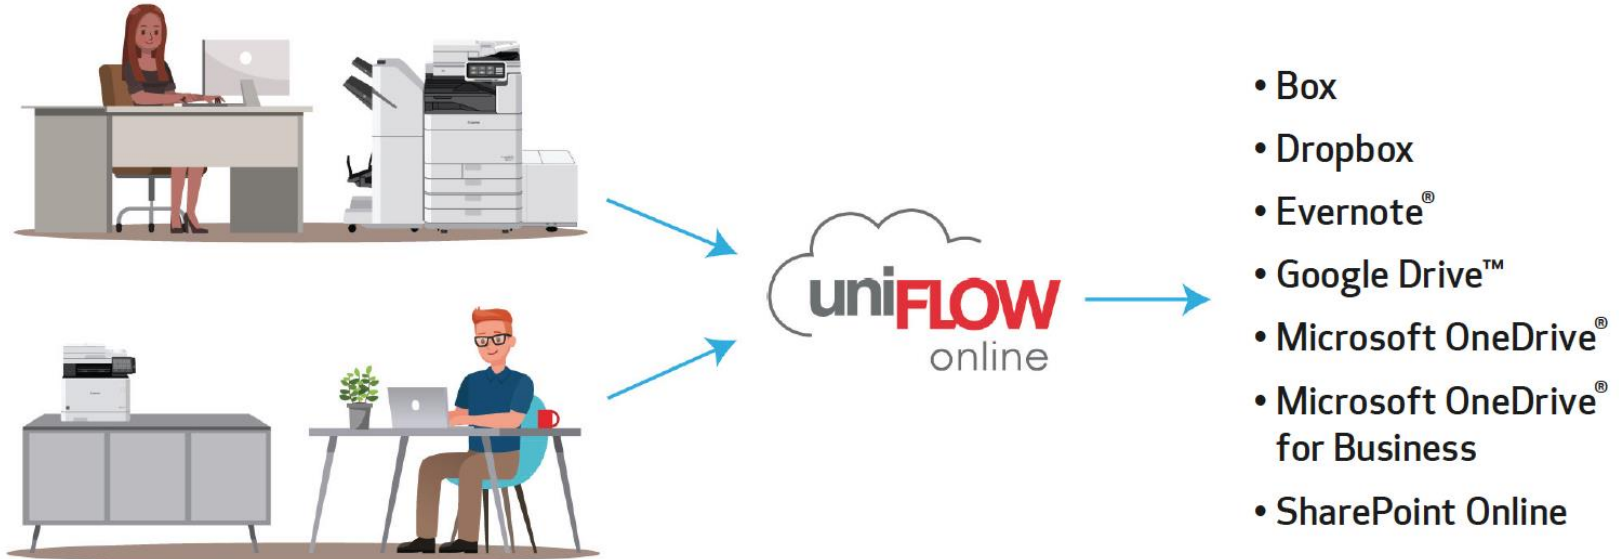

*Subscription to a third-party cloud service required. Subject to third-party cloud service provider's Terms and Conditions.

Scanning

Scan workflows follow employees from device to device, whether at home or the corporate office.

Access Many Cloud Scanning Destinations

*Subscription to a third-party cloud service required. Subject to third-party cloud service provider's Terms and Conditions.
